--	-----------------------------	---

The managing director and the management team have defined and documented its policy and objectives for, and commitment to quality, appropriate to the purposes of the company, ensuring the policy is communicated, understood and implemented throughout the organisation.

It is the policy of AMG Superalloys UK Limited, AMG AlpoCo UK Limited & AMG Aluminum UK Limited to provide a consistent, reliable product and service that gives complete Customer satisfaction.

This will be accomplished by:

- Maintaining an effective quality management system certified via 3<sup>rd</sup> party to ISO 9001:2015 quality management system requirements.
- Listening to our customers.
- Maintaining customer satisfaction by achieving a level of quality that enhances the company's reputation by ensuring product and service comply with customer's requirements and with all statutory and regulatory requirements.
- Setting and monitoring quality objectives which drive continual improvements to the quality management system.
- Producing consistent products and service from effective processes.
- Involving and developing the skills of our employees to optimise best safe working practices.
- Assessing our interested parties, reviewing what they require from the company and how we can achieve this, within the context of the business.
